Vincent Massey High School is running a Fine Arts Show at the Shoppers Mall. The show features the works of Grade 12 students, and will be running March 8-19, 2018 in Kia Court during regular mall hours, in celebration of International Women's Day.

The students of Vincent Massey High School have come together to create an exceptional art exhibit, transforming repurposed mannequins from the Shoppers Mall to multi-media works of art honoring International Women's Day. Students will be bringing the semi-completed mannequins to Shoppers Mall during the evening of March 8th at 6 pm for completion. The exhibit will remain on display until March 19th.

Please come to Shoppers Mall and support these fantastic artists!
