Re: Parent/Guardian Information Session for Maryland Park School
Monday, November 4, 2019 at 6:30 pm

Maryland Park School Brandon's newest Kindergarten to Grade 8 School is currently under construction and is scheduled to open in September 2020.

Please join us on for our first Parent/Guardian Information Session on Monday, November 4, 2019 at 6:30 pm to review the registration process, answer your questions, and seek parental/guardian involvement.

Date: Monday, November 4, 2019 at 6:30 pm
Location: Crocus Plains Regional Secondary School Cafeteria
1930 – 1st Street, Brandon. Please enter through the west doors near the student parking lot.

In order to plan for the needs of our students currently residing in the **Maryland Park School Catchment Area**, Brandon School Division is undertaking a two-step process.

- Families in this new Catchment Area are being asked to complete an **online survey** [Link: <http://bit.ly/2PcgW7O>] to confirm the enrolment numbers at the four schools that will be impacted by the shifting of this student population and the needs of within the Maryland Park School community. A paper copy of the survey will be available with each registration package.
- The next step will be for parents/guardians to review and complete the registration packages that will be sent home within the first two weeks of November for our students currently in Kindergarten through Grade 7. New Kindergarten registration materials for September 2020 will be made available to families in January 2020.

If you require any disability accommodations or an interpreter for this event, please email our office: info@bsd.ca.

Should you have any questions prior to the event, please do not hesitate to contact our office.
